Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

1 A " " following a place name indicates that the place is coterminous with a MCD. A " " following an incorporated place name indicates that the place is also a false MCD; the false MCD name is not shown.

2 A " " following a block number indicates that the block number is repeated elsewhere in the block.
